

Florence 12/05/2023

Request of Approval : 5/2023

Dear colleagues,

I am asking your approval for the opening of a new “assegno di ricerca” position at LENS:

1. title: **“Sviluppo e applicazione di metodi supervisionati e non per l’analisi di ricostruzione volumetrica ad alta risoluzione di tessuti cerebrali umani/ Development and application of supervised and unsupervised methods for high-resolution volumetric reconstruction analysis of human brain tissues” (FIS/03, Prof. Francesco Saverio Pavone is the Supervisor);** I propose the following commission: Prof. Francesco Saverio Pavone, Dr Irene Costantini, Prof. Marco Capitanio and Dr Ludovico Silvestri as substitute.

Requirements: Master degree in Biology or Biotechnologies or Biomedical Engineering, PhD and at least 3-year experience in the field of the research project.

The research grant will last 12 months starting from 01/09/2023 to 31/08/2024. The supervisor proposes the amount of € 30.000,00 charged on Eurobioimaging project funds.

Thank you for a prompt answer.

The Director

Prof. Elisabetta Cerbai
